## ELEVATE YOUR WELLBEING

### A HOLISTIC WELLNESS EXPERIENCE

Work Club Bondi redefines workplace wellbeing with a seamless blend of complimentary and premium wellness offerings, all conveniently housed under one roof. Members enjoy exclusive access to our Biohacking Lounge, featuring red light therapy, compression boots, TheraGun treatments, and an infrared sauna blanket - all designed to enhance recovery, boost circulation, and optimise performance. For those seeking deeper transformation, our paid services include metaphysical and bodywork consultations, restorative therapies, mind-body support, and an on-site aesthetics clinic.

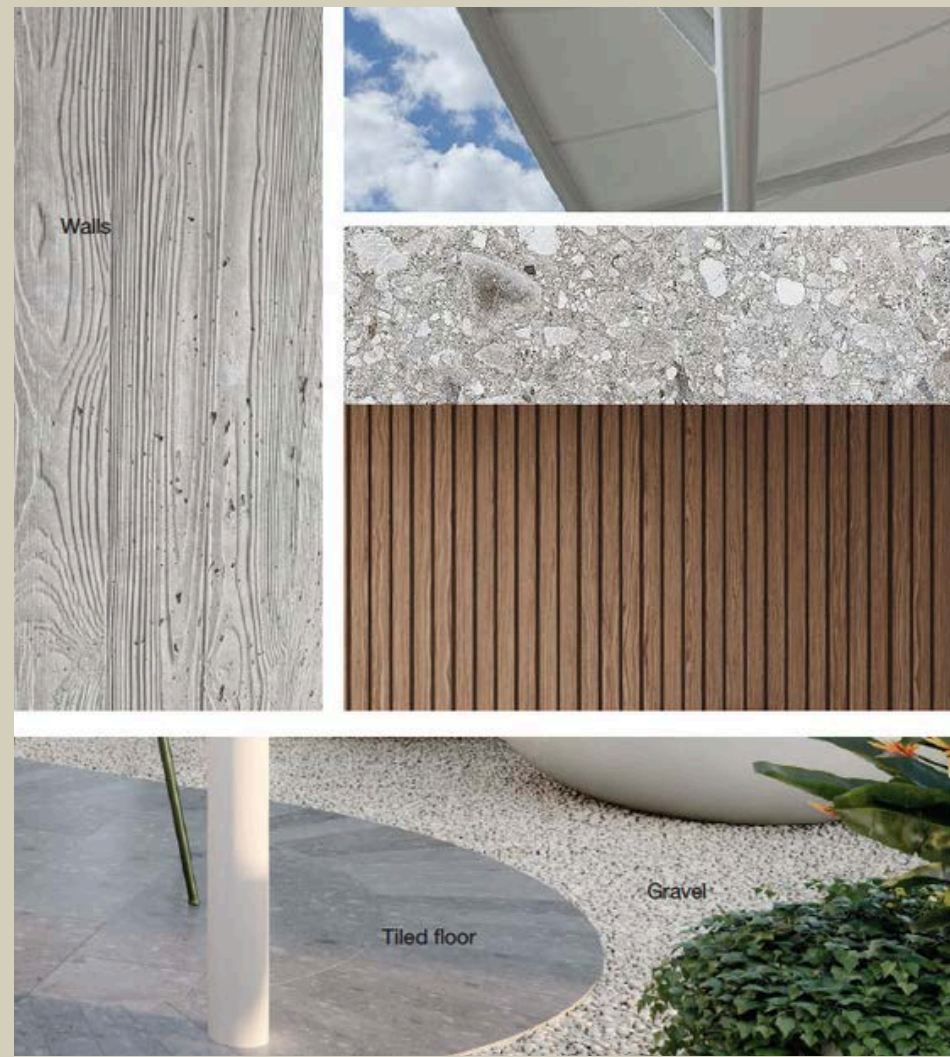

Whether you're resetting between meetings or committing to a long-term wellness journey, our holistic approach ensures balance, vitality, and peak performance without stepping outside your workspace.

# LUFT ROOFTOP BAR

## A HIDDEN OASIS AT BONDI'S EDGE

A defining feature of the space is Luft - our rooftop bar offering panoramic views of Bondi, refreshing cocktails, and bites that are as healthy as they are delicious. It's the perfect place to wrap up deals over a drink, host memorable events, or simply unwind after a productive day. Designed for Work Club members and their guests, this rooftop bar provides a unique blend of privacy and productivity.
